

Lottery-draw EC 2017

A proposal how the lottery-draw can be organised when the EC is split up in two fleets

Drawing steps

The drawing can/ should contain the following steps:

Step 1: How to distribute participants in QR1¹ and QR2 as well as determine the start positions

Print 35 lottery-tickets with the participants' country code and sail number. Put the 35 tickets a bowl. The Champion is automatically distributed in the A fleet.

The 1st ticket drawn is distributed in QR1 start position 1. The 2nd ticket drawn is distributed in QR2 start position 1. The 3rd ticket drawn is distributed in QR1 start position 2. The 4th ticket drawn is distributed in QR2 start position 2 and so on.

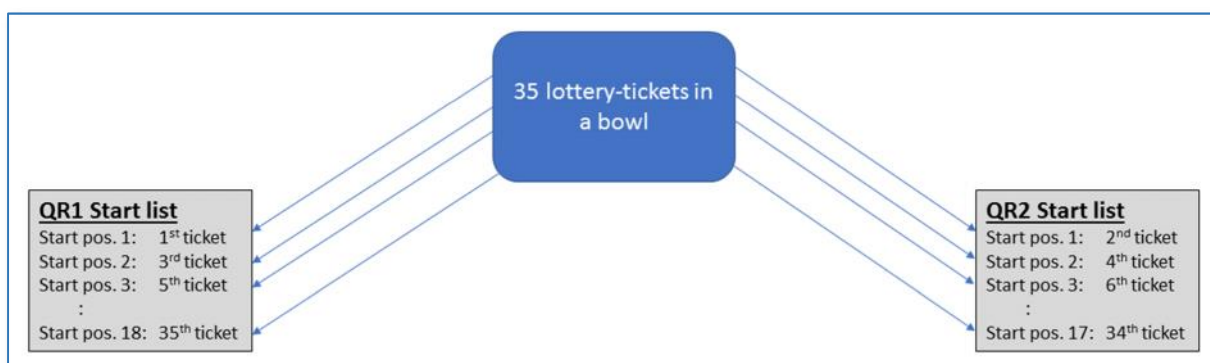

Figure 1 How to draw, distribute and determine start positions in step 1.

Step 2: Sailing QR1 and QR2

Step 3: Draw start positions in QR3

Standard-draw to determine start positions in QR3.

Step 4: Sailing QR3

The first 4 are qualified for the A fleet, if the Champion is registered the first 3 are qualified for the A fleet. The rest of the Monotypes have just finished the first heat of the B fleet with number 5 (or 4 if the Champion registered) as the winner, number 6 (5) as second and so on.

Step 5: Draw to determine the start positions in the 1st heat of the A fleet

Step 6: Sailing the 1st heat of the A fleet

¹ QR = Qualification Race.
